## Privacy and Legal Information

This document provides detailed information about how data is handled and the terms of service offered by Kraft Web Development.

## Privacy Policy

### 1. Data Collection and Usage

- Personal Data: I collect information such as your name, email address, phone number, and billing details. This is used for project communication, invoicing, and service delivery.
- Project Data: Any content or files you provide for project completion are handled securely and used solely for the purpose of delivering your project.

### 2. Data Protection and Confidentiality

- Your data is stored securely on encrypted devices and trusted platforms (e.g., Google Drive, PayPal).
- Confidentiality is a priority, and no information is shared without explicit consent unless legally required.

### 3. Your Rights

- You have the right to access, update, or request the deletion of your personal data after the project's completion.
- For any concerns or requests, you can contact me directly.

## **Privacy Policy and Legal Terms**

### **Legal Terms of Service**

#### **1. Scope of Services**

Kraft Web Development offers a range of services, including web development, design, SEO, and marketing solutions. Every project is tailored to client needs and completed with professionalism.

#### **2. Payment and Revisions**

- Payments: Pricing and payment methods are clearly communicated in the project proposal. Invoices are issued based on milestones or completion.
- Revisions: Up to two revisions are included in most projects. Additional changes may incur extra fees.

#### **3. Intellectual Property**

- Ownership of completed work is transferred to the client after payment. However, I reserve the right to showcase the work in my portfolio unless otherwise agreed.

#### **4. Termination and Liability**

- Either party may terminate the agreement with written notice. Payment is required for completed work up to the termination date.
- Liability is limited to the value of the project, and no responsibility is taken for indirect damages.
